## New England's Finest

In the mill towns and the big cities, down in the ship-filled  
harbors, back in the granite hills, everywhere you'll find thou-  
sands of sturdy, strapping New Englanders smoking famous  
old Mayo's Cut Plug tobacco.

It's the same rich, sweet, satisfying Mayo's that their fathers  
and grandfathers smoked, and they get the same healthful satis-  
faction out of it all year 'round. Mayo's has plenty of "body"  
and taste, yet smokes cool and pleasant--it's man's tobacco.

## Mayo's Cut Plug

Mayo's is "ripe, mellow" Kentucky  
Burley, aged up to five years to bring out  
the richness and sweetness. It has been  
made in the same factory, by the same  
people, for over 40 years. That's why  
Mayo's quality is always the same--  
"always good."

Just give Mayo's a week's trial, and  
you'll agree with us. Sold everywhere in  
10-cent pouches.
